

WHO WE ARE

R & G Lawyers provide intelligent, thoughtful legal services that produce successful business and personal outcomes.

We collaborate with you and your other advisors to build a "flight plan" for the success of your business and we can assist in its execution.

At R & G Lawyers, we always put the client's interests and wellbeing first. We measure our own success on the ability of our clients to achieve their business and life goals, and to successfully transcend the many challenges that confront us every day.

Kate Greenwood and Adrian Riccioni are the principals of R & G Lawyers whose beginnings date back over 100 years in the Yarra Valley, formerly as Eales and Mackenzie (Lilydale).

In April 2003, Kate and Adrian joined two other independent businesses to form The Field Group, a multidisciplinary group. As each of these three businesses is now pursuing different directions, we have re-branded as R & G Lawyers. The people remain the same and the efficient friendly service has not changed.

R & G Lawyers continue to develop and grow. In 2004 an office was opened in Carlton offering a full range of services from a convenient city fringe location.

Our practice is comprised of specialist and individual lawyers working in different fields of law. We collaborate with you and your other advisors to ensure that all aspects of your needs are addressed.

We look forward to empowering you to protect, preserve and prosper in a new and changing environment.
